AMERICANS INTEND TO PARDON A MILLION SO-CALLED NAZIS?

New York, 26 Dec. (Radio). The "United Press" correspondent referring to authoritative Berlin sources, stated that the commander of the American zone declared that in the American zone of occupation in Germany, about a million so-called Nazis will be pardoned.

These people were to be punished in accordance with the new German law of denazification.

The military administration considers that it would require 10 years to examine all Nazis.
